Thank you for submitting your post-commitment request for Funding Year 2017 Schools and Libraries Program (E-rate) funding. Attached to this email, you will find the revised funding statuses and/or post commitment changes to the original Funding Commitment Decision Letter (FCDL) you received.

The Universal Service Administrative Company (USAC) is providing this information to both the applicant(s) and the service provider(s) so that all parties are aware of the post-commitment changes related to their funding requests and can work together to complete the funding process for these requests.

1. File the FCC Form 486, Service Confirmation and Children's Internet Protection Act (CIPA) Certification Form, for any FRNs included in this RFCDL, if you have not already done so. Please review the CIPA requirements and file the form(s).
2. Invoice USAC, if you or your service provider have not already done so. Work with your service provider(s) to determine if your bills will be discounted or if you will request reimbursement from USAC after paying your bills in full.

For more information on next steps and how to appeal a decision, please see the attached letter.

Please keep a copy of this notification for your records.

Sincerely,
Universal Service Administrative Co.

NOTE: Please do not reply to this email.
